2008 Personal Tax Deadline almost here!

Hello Friends and Clients!

It's been another hectic tax season but I'm taking a minute to let you know you have until midnight Thursday, April 30th, 2009, to file your 2008 personal income tax return. Also individuals who have a balance owing and don't file by the due date will have to pay a late filing penalty 5% and 1% per month on the balance owing. If you or your spouse or common-law partner is self-employed in 2008, you have until midnight on Monday, June 15th, 2009, to file your 2008 return. You still have to pay your amounts owing by Thursday, April 30th, 2009. Unfortunately last year I had to turn work away because my time is extremely tight for the next few weeks so please don't be disappointed if I can't get to you right away. Thanks for your understanding in advance!

Always at your tax service,

Neel
