### **2007 Personal Tax Deadline Almost Here!**

Hello, Friends and Clients!

It's been another hectic tax season, but I'm taking a minute to let you know you have until midnight, Wednesday, April 30, 2008, to file your 2007 personal income tax return. Individuals who have a balance owing and don't file by the due date will have to pay a late filing penalty of 5%, plus 1% per month on the balance owing. If you or your spouse or common-law partner is self-employed in 2007, you have until midnight, Monday, June 16, 2008, to file your 2007 return. You still have to pay your amounts owing by Wednesday, April 30, 2008.

My time is extremely tight for the next few weeks, so please don't be disappointed if I can't get to you right away. Thanks in advance for your understanding!

Always at your tax service,

*Neel*
