PTC Canada Update Bulletin

*****For General Information and Distribution*****

It's Summer and Business as Usual!

Hello Friends and Clients!

It's tempting to shut down until the next tax season, like many practitioners in my business do. After all, why not? Particularly when you've worked hard and had a great season! Yet I've always resisted this for the simple reason that clients need service all year round, especially when CRA doesn't shut down for a vacation. So if you're behind and need to catch up, we'll be here for you, no matter how good the weather!

Always at your tax service,

Neel
