# Another Great Tax Season Thanks To You!

Hello Friends and Clients!

What can I say about such loyal, wonderful clients? 2009 goes down as another record year so thanks y'all for that. It was a tough winter out west and now that the weather is finally warming up, I am looking forward to a retreat in the mountains with close friends later this month. Last night, as you may have picked up from all the [news releases](#), the town of Vulcan, Alberta was given the VIP treatment to the new [Star Trek XI](#) movie in Calgary, and believe me it was the best one I've seen. Therefore, I recommend you make a point of checking it out after its official release this Friday May 08<sup>th</sup>, 2009.

I am anxious to get my book finished this year, so look out for that and of course you folks get a deal on it. As some of you may have noticed, [CRA is clamping down on late filers](#) and making it harder to put off. Tax time is never easy and that's why I am here-to help you through that annual season which most Canadians find challenging. But most important, is after the season, especially if you didn't file. If you "Are Really, Really Behind on Your Taxes", no worries, I can help!

Always at your tax service,

*Neel*
