### 2009 Tax Return Service Now Available

Hello, Friends and Clients!

Believe it or not, 2009 tax preparation service is now here. Our software speed demons just keep getting better each year and have no doubt been burning the midnight oil to make this possible. Those who have all their information or are filing zero income can take advantage of this service and avoid the rush. You can also get the paperwork yourself from the [forms website](#). Unfortunately most will have to wait until early March 2010 when they have all their T-slips, etc.!

Always at your tax service,

*Neel*
