10 More Days For Self Employed Returns & 2011 Budget Update!

Hello Friends and Clients!

If you were self-employed in 2010, you still have 10 more days before it is due, however all balances owing are still subject to 1% monthly interest until paid in full. If you're a sole proprietor, check out [CRA's Business Income & Expense website](#) for details. Also, take advantage of our complimentary [Small Business Tax Booklet](#) with [Excel business spreadsheet](#) if you want to compile the information yourself. If you require me to prepare the taxes, please let me know now (not June 14th at midnight) so you can file on time.

Also, the Federal Government released the latest 2011-2012 budget. For further details check out the [complete budget from the finance department's site](#) with detailed analysis/commentaries from [CBC](#), [CTV](#), [Globe & Mail](#), [National Post](#) and [Evelyn Jack's Knowledge Bureau](#)!
